The facility is part of a larger development on the former Perkins recreation ground in the established Millfield inner city area of Peterborough, carried out in association with

Accent Nene Group.
Residential
Access

Overlooking a new eleven hectare public park the building houses 40 one and two bedroom apartments with extensive additional facilities including hair salon, fitness and craft rooms, cinema and laundry as well as assisted bathroom, consulting room and guest suites.

Although each apartment has a fully fitted kitchen, a large communal dining area is provided together with large and smaller lounges which lead into the enclosed sensory gardens.
