The project is to provide 21 residential units of varied accommodation. The units will be 13 refurbishment and 8 New Build with assoc. parking, site amenities and circulation.

The project for Leicester Housing Association Ltd is a "partnering" initiative in conjunction with Newlife Construction & Regeneration Group

The site is occupied by an industrial building of historic significance which is to form the conversion. Other buildings were to be taken down for additional development area, gardens and parking.

A new extension reflecting the industrial style of the existing building in the form of circulation towers and additional units will be added.
